Help needed!!

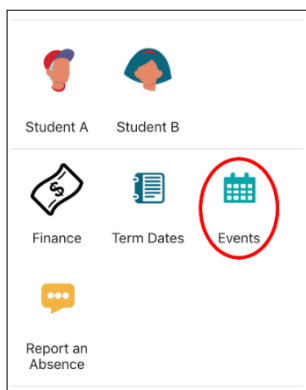

We are in desperate need of nails, screws and soft wood of any kind for our woodshed! If you have any old nails, screws or off cuts of wood lying around we would appreciate it if you could drop them off to the office for our students to use in the woodshed.

Thank you for your help.

HERO EVENTS CALENDAR

Events are now being added to our school calendar in the Hero App. When logged into Hero, caregivers can view this by going to Events from the Hero landing page or in the menu on the left side of their Hero app.

Also, as you can see from the screenshot above, Report an Absence is also available through the App, for a quick way to let us know if your child will be away from school. Absences can still also be reported by ringing the school and leaving a message or by text.

You can check your school account balance via this app also.

Caretaker Position

We require a proactive, reliable person who can work alongside staff and students in a busy school environment. This is a full-time position (40 hours per week) and would suit someone who is energetic and has an eye for detail, to care for our well-maintained and highly respected school buildings and grounds. The position involves carrying out a wide range of duties to help ensure that our school is maintained as a clean, safe, and secure environment.

Applicants must have; a full driver's licence, excellent time management skills, basic handyman skills to carry out repairs and maintenance, excellent health, a willingness to learn and a clean police record.

The successful applicant will be required to identify hazards, address building and ground maintenance issues and carry out and record Building Warrant checks.

A job description and application form are available from Grantlea Downs School office, phone 03 684 7706 or email office@grantleadowns.school.nz subject line 'Caretaker Position'. A copy can be found on our website www.grantleadowns.school.nz

Applications close Friday 3 June 3 pm.

CREATIVES SCHOOL ART PROJECT – **More Helpers Needed**

During Term 2 & 3 the senior school will be working on a fabulous art project featuring in different areas around our school. They will be creating an interactive sensory sculpture garden and mural inspired by the Taitarakihi Creek Project and the school values.

We would love our school whanau community to be a part of this project. Would you, your parents, grandparents or wider family like to be involved? We need people that have a talent/skill for welding, wood skills, metal skills, weaving, paving, limestone carving, knitting/crochet etc to help.

Please fill out the slip below and return to the office, or ring and leave your name, number and skill, or if you know of someone who would like to be involved.

We look forward to hearing from you.
The Creatives Team Penni Naylor & Raewyn Guise

Protecting that beautiful smile

Healthy teeth play an important role in a child's development, helping them to eat and speak properly. Healthy teeth are important for self confidence later in life.

Children in New Zealand are entitled to free basic oral health services until their 18th birthday. It is important to enrol your child as early as possible so that their first check-up can be arranged. This is usually between their 1st and 2nd birthday. You can enrol by calling 0800 825 583 (0800 TALK TEEH).

TEETH FRIENDLY SNACKS & DRINKS:

- Bread
- Cheese
- Vegetables and fresh fruit
- Unsweetened popcorn
- Nuts
- Yoghurt

- Milk
- Water

Tips to look after your family's smile:

- Brush teeth twice a day, with fluoridated toothpaste. Fluoride helps to strengthen growing teeth and fix very early stages of decay. Your child will need help and supervision with this until they are about 8 years old.
- Spit, don't rinse after brushing!
- Have regular dental check ups
- Lift the lip every month and check your child's teeth and gums
- Choose healthy snacks
- Drink water and milk
- Limit sugary foods to mealtimes and give only occasionally

Teacher Only Day Friday 3 June 2022

Chipmunks will be offering daycare from 8am until 6pm at Chipmunks Timaru this Friday. Please contact them to book.

Is your child in years 7 or 8?
Has your child travelled overseas in the past five years?

Doctoral researcher, Eliza Raymond, from Victoria University of Wellington is looking for families to participate in her research looking at how travel impacts children's sense of global citizenship. Participating in this project will involve two online meetings of up to 45 minutes each.

Please visit www.travelduringchildhood.org to learn more or email eliza.raymond@vuw.ac.nz.

This project has received full ethics approval by the ethics committee of Victoria University of Wellington (#29858).
